Submit

✓ Correct (1/1 point)

Excellent job!

Did you remember to click submit after you were done answering your questions to see your score? Did you scroll back through the quiz after receiving your score to see the feedback given for each answer? Most instructors provide information on why each option is correct/incorrect, which can be especially helpful when you get something wrong. Also note that we gave you unlimited chances to get the questions right. Often, you will have only a few attempts. Be sure to note how each assessment is set up before you begin.
